

THE NATIONAL
FOREST

Old Woodlands Farm

10.1 ha Tender Scheme winner in 1999 near Newtown Unthank. Forms a continuous block of woodland with neighbouring Tender Schemes and existing woodland at Martinshaw.

Facilities

Arriva 152
(Hourly Mo-Sa)

Nearby sites to visit

- Hollow Oak Wood is immediately adjacent
- Ratby Woodlands
- Grey Lodge Wood
- Martinshaw Wood

What to look for

In addition to the native woodland, a 1 ha area of open ground has been sown with a wildflower mix to create a meadow.

An old field pond has been reinstated to benefit dragonflies and wetland species.

Permissive footpaths and bridleways run through the site and create excellent links to the definitive network, enabling riders to create good off-road circuits to Ratby Woodlands and beyond.
