

THE NATIONAL  
FOREST

# Spring Barrow Lodge

A 1995 Tender Scheme success next to Grace Dieu Wood and Whitwick. 3.6ha of broadleaf planting in a picturesque and quiet setting that is accessible to the public.

## Facilities

In Whitwick

limited

Arriva Midland Fox 15  
(Hourly Mo-Sa)

## Nearby sites to visit

- Thringstone Wood
- Grace Dieu Priory
- Forest Rock Wood

## What to look for

The woodland forms an extension of Grace Dieu Wood and offers new informal access in a popular area.

Grassy paths allow you to walk among the planted native broadleaf trees and shrubs. Natural regeneration from Grace Dieu Wood, which is a Site of Special Scientific Interest.

An access link exists to the nearby Cademan Wood
