

THE NATIONAL  
FOREST

# Whittington Grange

A linear 6.4ha woodland adjacent to the M1 motorway close to the village of Markfield.

## Facilities

## Nearby sites to visit

- Grey Lodge Wood
- Ratby Burroughs
- Peartree Wood
- Martinshaw Wood

## What to look for

The woodland is small but intimate and sits adjacent to Whittingham Rough Ancient Semi-natural woodland.

An open area has been left to enable natural regeneration from this woodland.

The main species planted are oak, ash, cherry, small leaved lime, birch and rowan.

A permissive path through the site links to existing rights of way.
